Please submit the requested document(s) as soon as you are able to do so. Conditions need to be met before the start of the programme and if you require a visa to study in the UK it is recommended all conditions are met at least two months before the programme start date. If original or certified copies of your documents are required, please send to the address stated at the top of this letter.

In order to secure your place, you must respond to this offer by 08 February 2017. To respond to the offer, click on the 'View Details' link within your portal. If you think you will be unable to respond by this date, please contact us and we will be able to extend the time available. However, if you fail to respond by this deadline your offer may be declined on your behalf.

Please note; all non-English Language documents must be accompanied by an official certified translation.

Once you have fulfilled this/these condition(s); and you have accepted your offer of a place; we will send you a CAS (Confirmation of Acceptance for Study) to help with your visa application. Please note that it is not possible to issue you with a CAS more than six months before the start date of your programme; so CAS for programmes starting in September 2017 will not be issued earlier than April 2017. Study in the UK is subject to time limits and regulations on academic progression set by UK Visas & Immigration (UKVI). If you have not already provided us with details of any study that you have undertaken in the UK (including study you have completed, are currently undertaking or have failed to complete) in the Qualifications section of your Postgraduate application then you must inform us of this now. Failure to provide this information may result in your offer being withdrawn.

The annual tuition fee for the academic year 2017/18 is shown above. Tuition fees are liable to increase in subsequent years.

Please note that you need to have sufficient funds available for your living costs and tuition fees for the duration of your programme. You will only become responsible for the payment of your tuition fees when you formally register for your programme, not when you accept your offer of a place. Information regarding the registration process will be sent to you before your programme commences.
