The scholarship will be awarded based on your IELTS examination results.:

- IELTS 7.0 with all components at least 6.5
- IELTS 7.5 with all components at least 6.0

If you achieve either of the above results, then this scholarship will mean an automatic £3,000 reduction in your tuition fees.

There is no application form or acceptance needed for this scholarship. Provided that you accept your offer within 32 days, meet all the conditions of your offer, meet the standard requirements of the course and meet the scholarship criteria, then you will automatically receive the reduction in tuition fees when you start your programme in September 2016. You must meet both the scholarship criteria and satisfy all your offer conditions by the 11th September.

Should you have any queries regarding this scholarship, or your admission to the Southampton Business School, please do not hesitate to contact us.
